One Way of Life, One Sisterhood.

Unity For Sisters Inc at the Mercy Mission Conference

Unity For Sisters Inc team member talking to people about our projects

Unity For Sisters Inc held a stall at the Mercy Mission Conference for two and a half days.

The aim was to bring awareness to the projects Unity For Sisters Inc has undertaken for our brothers and sisters in Somalia/Somaliland such as the financial relief raised for famine victims, and the Clean Child Birth Kits Program for Somali Women.

Also, we aimed to raise money for our upcoming project of building the 'Maryam Bint Kamal International School' in Hergeisa, Northern Somalia.

Unity For Sisters Inc informed many people regarding the money we raised for the floods in Indonesia.

Outcomes

The Unity For Sisters Inc team worked very hard, alhumdolillah.

There were many sisters who volunteered at the stall, mashallah.

The team started at 9.30 in the morning and worked through to 7.30 in the evening in turns.

The total amount raised through selling Unity 4 Sisters wristbands, bags filled with sweets and the kind donations of sisters was \$1950 Australian dollars, alhumdolillah.

Unity For Sisters Inc would like to thank all the sisters/brothers who volunteered and donated to make our stall a success.
